It's our nature SM

Wish List

**Items we need the most are those that are disposable; things the animals eat, chew up, or shred. We also need the larger item listed above including:

- Avi-cake bird treats
- Booda bones
- Crispy Chews for small animals
- Small cat trees with one/two platforms and a hide tunnel or cave
- Dogloo II (sized medium and large)
- Hunting scents: grouse, pheasant, quail, deer, fox, etc.
- Millet (whole, on the stem)
- Nut knot parrot chew toy
- Woven grass mats, or any items made of woven grass.
- Any of the large jolly ball horse toys.
- Gift cards!

Non-Mounds wish list items we need include:

- Any size Boomer Balls
<http://www.boomerball.com/>
- Any primate or orangutan enrichment devices from Otto Environmental
www.ottoenvironmental.com
- Bales of untreated wood wool excelsior
<http://www.americanexcelsior.com/retail/?l=8>
- A human infant incubator
- Large cargo nets made of rope or seat belt material
- Good quality digital camera and video camera

We are able to re-use non-disposable items. Items we **do not need at this time include (I have removed them from the above list):

- All Forage Wise plastic parrot puzzle toys
- All small cockatiel sized bird toys
- Tennis balls
- Rope toys of all sizes
- “Flappy” brand dog toys
- Laser pointers
