

Rules for the Day

- NO RETRACTABLE LEASHES.**
- For everyone's safety and comfort, all dogs attending Mounds Dog Fest must be kept on a 6' or shorter leash.
- ADULT DOGS ONLY.** Puppies who appear to be under 6 months will not be admitted. Huge crowds may cause your puppy to develop a life long phobia. Puppies are also much more prone to dehydration.
- Female dogs in any state of heat will not be allowed at Dog Fest.
- Protect your dog by bringing your own water bowl and not sharing dishes. Reward your dog with treats discretely to avoid fights.
- No Smoking or Alcohol allowed inside the Dog Fest fenced grounds.
- All dogs must have proof of current vaccinations.
- Aggressive animals/owners will have to leave the fest. Dog bite incidents must be reported at the information booth.
- Do not leave dogs in vehicles or unattended. The police will be notified.
- Remember, Mounds Dog Fest is rain or shine*, and it often does both. Please dress appropriately and watch out for dehydration in you and your pooch.

*In the event of severe weather Mounds Dog Fest could be cancelled the day of the event. Check our website and Facebook for updates.
